TARIFF FORMAT

- A. Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the KY PSC. For example, the 4th revised Page 14 cancels the 3rd revised Page 14.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a).

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

Certain terms used generally throughout this tariff, particularly those for specialized common carrier communication channels furnished by the Company over its facilities are defined below:

Access - Access to Legacy's services are provided by one or more or a combination of the following methods: presubscription in equal access areas, direct access, 800, 950 and 10XXX dialing sequences.

Access Code - A sequence of numbers that, when dialed, connect the caller to the provider of services associated with that sequence.

Aggregator - Any person, excluding local exchange carriers and cellular service providers, that, in the ordinary course of its operations, make telephones available to the public or to transient users of its premises, for intrastate telephone calls using a provider of operator services.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the Service User so the Company may rate and bill the call. All Authorization Codes shall be the sole property of the Company and no Customer shall have any property or other right or interest in the use of any particular Authorization Code. Automatic Numbering Identification ("ANI") may be used as or in connection with the Authorization Code.

Authorized User - A person or entity that accesses the Company's services. An Authorized User is responsible for compliance with this tariff.

Automatic Numbering Identification (ANI) - A type of signaling provided by a local exchange telephone company that automatically identifies the local exchange line from which a call originates.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Billed Party - The person or entity responsible for payment of the Company's Service(s): For a Direct Dialed Call, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate an intrastate call. In the case of a Travel Card call, Calling Card call or other credit card call (herein collectively the "Card"), the person or entity responsible for payment is the Customer of record of the Travel Card, Calling Card or other valid and acceptable Card used. In the case of a collect or third party call, the person or entity responsible for payment is the person responsible for local telephone service at the telephone number that agrees to accept charges for the call. In the case of a Room Charge Call, the entity responsible for payment is the Aggregator controlling the telephone used to originate the intrastate call. In all Operator Assisted calls not involving Cards, third party calls, collect calls or Room Charge calls, the person or entity responsible for payment is the Customer responsible for payment for local telephone services at the telephone used to originate the intrastate call.

Calling Card Call - A Direct Dialed call for which charges are billed not to the originating telephone number, but to a LEC or interexchange carrier calling card.

Central Office - A Local Exchange Carrier switching system where Local Exchange Carrier customer station loops are terminated for purposes of interconnection to each other and to trunks.

Channel - The term "Channel" denotes a path for electrical transmission between two or more points, the path having a band width designed to carry voice grade transmission.

Common Carrier - A company or entity providing telecommunications services to the public.

Credit Card Call - A Direct Dialed or Operator Assisted call for which charges are billed not to the originating telephone number, but to a commercial credit card, such as Visa or MasterCard.

Customer - The term "Customer" denotes the person, partnership, association, joint stock company, trust, corporation, or governmental entity or any other entity that is responsible for payment of charges and for compliance with this tariff.

Customer - Provided Facilities - The term "Customer - Provided Facilities" denotes all communications facilities provided by the Customer and/or Authorized User other than those provided by the Company.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Debit Card - A pre-established account number (typically associated with a card), issued by the Company and purchased by a Customer for access to the Company's network for the purpose of placing long distance telephone calls.

Direct Dialed Call - An intrastate telephone call that is automatically completed and billed to the telephone number from which the call originated without the automatic or live assistance of an operator.

Equal Access - Has the meaning given that term in Appendix B of the Modification of Final Judgment entered August 24, 1982, in United States v. Western Electric, Civil Action No. 82-0192 (United States District Court, District of Colombia), as amended by the Court in its orders issued prior to October 17, 1990.

Equal Access Code - An access code that allows the public to obtain an equal access connection to the carrier associated with that code.

Exchange - The term "Exchange" denotes a unit established by the Local Exchange Carrier for the administration of communications service in a specified area that usually embraces a city, town or village and its environs. It consists of one or more Central Offices together with the associated facilities used in furnishing communications service within that area.

Intrastate Message Telecommunications Service ("MTS") - The term "Intrastate Message Telecommunications Services" denotes the furnishing of direct dialed intrastate switched service to the Customer for the completion of long distance voice and dial-up low speed data transmissions over voice grade channels between points wholly within Kentucky.

Legacy - Legacy Long Distance International, Inc., the issuer of this tariff.

Local Exchange Carrier ("LEC") - The term "Local Exchange Carrier" denotes any telephone company that provides local telephone service to Customers within a defined area.

Measured Charge - A charge assessed on a per minute or incremental basis in calculating a portion of the charges due for a completed call.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Operator Assisted Call - An intrastate telephone connection completed through the use of the company's operator.

Operator Service Charge - A non-measured (fixed) charge that is added to a measured charge in calculating the total tariff charges due for a completed Operator Assisted call.

Operator Services - Any telecommunication service that includes, as a component, any automatic or live assistance to a Customer or its Authorized User to arrange for billing or completion, or both, of an intrastate telephone call through a method other than"

- (i) automatic completion with billing to the telephone from which the call originated; or
- (ii) completion through an access code used by an Authorized User, with billing to an account previously established with the carrier by the Authorized User.

Operator Service Provider ("OSP") - Any person or entity that provides operator services by using live or automated operator functions. When more than one entity is involved in processing an operator service call, the party billing the calls shall be considered the OSP. However, subscribers to customer-owned pay telephone service shall not be deemed to be an OSP.

Operator Station Calls - An Operator Assisted call wherein the person originating the call is assisted by an operator but does not specify a particular person, department or extension to be reached through a PBX attendant.

Other Common Carrier - The term "Other Common Carrier" denotes a common carrier, other than the Company, providing domestic and/or international communications service to the public.

Personal Identification Numbers (PINS) - Code numbers used in connection with designated telephone numbers which allow intrastate calls to be categorized for various applications.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Person-to-Person Calls - An Operator Assisted call which is placed under the stipulation that the caller will speak only to a specific called party, a specified extension or office to be reached through a PBX attendant. Such a call is not completed until either the specific party named by the caller is contacted, or the caller agrees to speak to a different party. The caller must arrange with the operator to make a person-to-person call; otherwise, all Operator Assisted calls will be treated as Operator Station calls.

Point(s) of Presence - The term "Point(s) of Presence" denotes the site(s) where the Company provides a network interface with facilities provided by Other Common Carriers, Local Exchange Carriers or Customers for access to the Company network configuration.

Premise - The term "Premise" denotes a building or buildings on contiguous property (except railroad rights-of-way, etc.) not separated by a public highway.

Presubscribed Provider of Operator Services - The intrastate provider of Operator Services to which the Authorized User is connected when the Authorized User places a call using a provider of operator services without dialing a special access code.

Provider of Operator Services - Any common carrier that provides operator services or any other person to be determined by the Federal Communications Commission and/or the PSC of Kentucky to be providing operator services.

PSC of Kentucky - Public Service Commission of Kentucky.

Real Time Rated - An intrastate call placed with the assistance of an operator, for which charges are collected by an Aggregator, normally a hotel or motel, may be a hospital, from the guest or occupant of the room from which the call originated. A call of this type requires that Legacy communicate the call detail and charges back to the originating location following completion of the call. This service is provided only where authorized by the Aggregator. Calls of this type are rated according to the Real Time Rate Schedules herein.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.9 Right to Backbill for Improper Use of the Company's Service**

Any person or entity that uses, appropriates or secures the use of service from the Company, whether directly or indirectly, in any unlawful manner or through the providing of any misleading or false information to the Company and which uses, appropriation, or securing of services is inconsistent with the stated uses, intents, and purposes of this tariff or any restrictions, conditions, and limitations stated herein, shall be liable for an amount equal to the accrued and unpaid charges that would have been applicable to the use of the Company's service actually made by Customer.

2.10 Billing Entity Conditions

When billing functions on behalf of Legacy are performed by local exchange telephone companies, credit card companies or others, the payment conditions and regulations of such companies apply, including any applicable interest and/or late payment charges. In case of any disputed charges that cannot be resolved by the billing company, the Billed Party may contact Legacy directly. If there is still a disagreement about the disputed amount after investigation and review by Legacy or other service provider, the Billed Party has the option to pursue the matter with the appropriate state commission and/or the Federal Communications Commission.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.11 Compliance with Regulatory Requirements**

The Company reserves the right to discontinue service, limit service, or to impose requirements on Customers as required to meet changing regulatory rules and standards of the PSC of Kentucky.

2.12 Interconnection

The Company reserves the right to interconnect its services with those of any Other Common Carrier, Local Exchange Carrier, or alternate access provider of its election, and to utilize such services for the provision of services offered herein.

2.13 Denial of Access to Service by the Company

The Company expressly retains the right to deny access to service without incurring any liability for any of the following reasons:

2.13.1 Nonpayment of any sum due for service provided hereunder, where the Customer's charges remain unpaid more than ten (10) days following notice of nonpayment from the Company. Notice shall be deemed to be effective upon mailing of written notice, postage prepaid, to the Customer's last known address;

2.13.2 Customer's acts or omissions that constitute a violation of, or a failure to comply with, any regulation stated in this tariff governing the furnishing of service, but which violation or failure to comply does not constitute a material breach or does not pose any actual threatened interference to Legacy operations or its furnishing of service. The Company agrees to give Customer ten (10) days notice of such violation or failure to comply prior to disconnection of service; or

2.13.3 The implementation of any order of a court of competent jurisdiction, or federal or state regulatory authority of competent jurisdiction, prohibiting the Company from furnishing such service; or

2.13.4 Failure to pay a previously owed bill by the same Customer at another location.

SECTION 3 - DESCRIPTION OF SERVICES AND RATES, (CONT'D.)**3.2 Determination of Call Duration and Timing of Calls**

- 3.2.1** For Direct Dialed Calls and Operator Station Calls, chargeable time begins when the connection is established between the calling station and the desired telephone, attendant board, or private branch exchange console. For Person-to-Person calls chargeable time begins when the designated party comes on the line, or when the caller agrees to speak with a substitute party.
- 3.2.2** Chargeable time ends when the connection is terminated.
- 3.2.3** Chargeable time does not include the time lost because of known faults or defects in the service.
- 3.2.4** The initial and additional timing periods for billing purposes vary by product and are specified in Section 3 of this tariff.
- 3.2.5** The Company will not bill for unanswered calls. When a Customer indicates that he/she was billed for an incomplete call, Legacy will reasonably issue credit for the call.

SECTION 3 - DESCRIPTION OF SERVICES AND RATES, (CONT'D.)**3.3 Time of Day Rate Periods**

For time of day sensitive services, the appropriate rates apply for day, evening and night/weekend calls based on the following chart:

	MON	TUES	WED	THUR	FRI	SAT	SUN
8:00 AM TO 4:59 PM	DAYTIME RATE PERIOD OR PEAK RATE PERIOD					EVE	
5:00 PM TO 10:59 PM	EVENING RATE PERIOD OR OFF PEAK RATE PERIOD						
11:00 PM TO 7:59 AM	NIGHT/WEEKEND RATE PERIOD OR OFF PEAK RATE PERIOD						

- 3.3.1** Day, Evening, and Night/Weekend times are determined by the local time of the location of the calling service point. Chargeable time for a rate period (e.g. 8AM-5PM) begins with the first stated hour (8AM) and continues to, but does not include, the second stated hour (5PM). The rate applicable at the start of chargeable time at the calling station applies to the call during the duration of the call that is applicable to that time period. If a call begins in one discount period and ends in another, the initial period discount applied is the discount in effect at the time the call is established. The charge for each additional minute of usage is the additional minute billing rate of the rate period in which the beginning of each minute occurs.

SECTION 3 - DESCRIPTION OF SERVICES AND RATES, (CONT'D.)**3.4 Calculation of Distance**

For services which are distance sensitive, usage charges are based on the airline distance between the serving wire center locations associated with the originating and terminating points of the call.

The distance between the originating and terminating points is calculated by using the "V" and "H" coordinates of the serving wire centers as defined by BellCore (Bell Communications Research), in the following manner:

- Step 1: Obtain the "V" and "H" coordinates for the serving wire center of the Customer's switch and the destination point.
- Step 2: Obtain the difference between the "V" coordinates of each of the serving wire centers. Obtain the difference between the "H" coordinates.
- Step 3: Square the differences obtained in Step 2.
- Step 4: Add the squares of the "V" difference and "H" difference obtained in Step 3.
- Step 5: Divide the sum of the square obtained in Step 4 by ten (10). Round to the next higher whole number if any fraction results from the division.
- Step 6: Obtain the square root of the whole number obtained in Step 5. Round to the next higher whole number if any fraction is obtained. This is the distance between the originating and terminating serving wire centers of the call.

Formula:

$$\sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

3.5 Operator Services

3.5.1 Determination of Charges

The charges for Operator Services are determined by the:

- distance between applicable rate centers
- time of day and day of week
- duration of call
- class of call

Rates are charged in full minute increments. The minimum charge for each call is one full minute; each additional minute is charged in whole minute increments.

3.5.2 Classes of Services

Service is offered on a Customer Dialed Calling Card Station, Operator Station, Person-to-Person or Real Time Rated-Operator Station/Person-to-Person basis. Day, Evening, Night and Weekend rates apply to all classes of services.
